REASONS FOR ALLOWANCE

1. Claims 2 and 4-10 are allowed.
2. The following is an examiner's statement of reasons for allowance: As per amended claim 2, the prior art fails to teach a discharge valve mechanism with two openings wherein a leading end side has a bending strength smaller than the base end side, and the reed valve including a small-width part of smaller dimension. As per amended claim 4, the prior art fails to teach a discharge valve mechanism with multiple valve elements wherein a first valve element is a reed valve and a second valve element is a poppet valve. As per amended claim 6, the prior art fails to teach a discharge valve mechanism wherein a leading end side has a bending strength smaller than the base end side, and a first portion of the valve element is a reed valve, and the second portion of the valve element is a poppet valve. As per amended claim 9, the prior art fails to teach a discharge valve mechanism with two valve elements, wherein both the first and second valve elements are reed valves having varying bending strengths.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
